- The following are the rules with regards to Campus Placements which have to be adhered to by the students:
- Students should have abided by all the rules and regulations set by the Institute in order to qualify for the campus placements. (Attendance criteria has to be met)
- Students should provide their authentic data as and when required by the Placement Committee Members within the stipulated time. Non adherence to this will keep the student out of the Placement process. Also the student must keep the team updated in a timely manner if there be any changes in the submitted document/data.
- Students should keep themselves updated with all the placement news that is circulated through e-mails or put up on the Institute Placement notice board or informed to them via other communication channels.

- Student should register their names for the interview process of any company coming to the campus only if they are interested in taking up the job. No communication will be treated as 'Not Interested.'
- Once a student goes through the company presentation regarding the job profile, pay-scale etc and then he/she registers himself/herself for the interview then the student cannot withdraw their name from the interview process. If the student fails to attend the interview then the placement committee reserves the right to exclude the name of the student from the campus placement process.
- If any student is not on time for the interview, then the placement committee reserves the right to exclude the name of the student from the campus placement process.
- If a student gets an offer letter from a company and if the profile and package is the same as communicated before the interview, then whether the student accepts or rejects the offer, he/she will not be eligible for any further Campus Placement Procedure of the Institute till all the other students of his/her specialization gets placed.
- If a student receives an offer letter from 2 companies at the same time then the student has the right to choose either of the offers received.
- Once the student receives the offer letter/appointment letter from the company, he/she has to inform the placement team and share a copy of the letter with the team within 3 working days.
- Whenever a student declines an offer made or decides to resign within 3 months of receiving the offer (or within 5 days of beginning summer internship) he/she should immediately inform the placement team of the same and any communication with regards to resignation or termination of employment should also be shared with the team. The student should consult with the placement team before deciding on such a step. Non adherence to this will keep the student out of the Placement processes.
- Students while attending the interview should carry the hard copy of their resume in the prescribed format, 2 photographs, ID proof, Institute ID card and all the other necessary and relevant certificates.
- A student should always be presentable while attending the interview. Boys should be dressed in formal blazers, formal shirt, trousers and tie with clean shave and well polishes formal shoes. Girls should be in Western/Indian formals, formal shoes and neatly tied hair.
- Student has to attend any lecture/sessions/seminar or any other program organized by the Institute for the placement or related purpose and communicated to them by the Placement coordinators/course coordinators/ Placement committee members.
- Student should always have relevant information about the company for the campus placement and the domain knowledge of the sector to which the company belongs, company performance, their products and services and the market reach.
- After the completion of the scheduled interview, the student must provide an honest feedback regarding the interview to the Placement team.

- The Placement team reserves the right to choose the best of the candidate for an interview depending on the requirement for the particular opening.
- The student must adhere to the time limit mentioned in the communication by the Placement team to apply for an opening.
- Each student will be allowed a maximum of 3 rejections to have a compulsory counselling session with the mentor. After this a maximum of 2 rejections from an interview attended will be entertained. Post such rejections the placement committee reserves the right to exclude the name of the student from the campus placement process.
- Student choosing to apply for their placement/internship outside the campus must ensure that the team is aware about the same well in advance. This is to ensure systematic scheduling of interviews and avoid any clashes of two interviews. If student does not inform the placement team in advance and the interview is scheduled by Placement team, then such interviews have to be attended by the student, else it will lead to placement code violation.
- Students has to communicate about his/her selection in the interview to the placement team. Half information or incomplete information will keep the student away from the Placement process.

No. 23/ August 2023

NOTICE

All Teaching, Non-Teaching Staff Members, and students,

The Green Club (GC) will be established to provide the values of environmental Stewardship among the students. It aims to work towards an eco-friendly environment in and around education institutions by efficient use of resources like water, waste, energy and circularity. The following will be the members of Green Club:

- 1) Ms Preeti Kaushik: Faculty Co-ordinator (Green Club)
- 2) Ms. Kashish Mahadik: President (Green Club)
- 3) Mr. Rushikesh Bhise: Vice President (Green Club)
- 4) Ms. Komal Admane: Campaign Coordinator (Green Club)
- 5) Ms. Ketki Shelar: Documentation Coordinator (Green Club)
- 6) Ms. Sara Vartak: Member
- 7) Ms. Snehal Hodge: Member
- 8) Ms. Riya Yadav: Member
- 9) Ms. Kshitija Nandivadekar: Member
- 10) Mr. Mandar Salasakar: Admin Coordinator (Green Club)

The formation of Green Club will primarily focus on coordinating with youth in the Institute to support environmental activities and projects within the Institute as well as with the communities as extension services. Under this program, the aim is to empower such projects. Green Club would be imbued in institute-level curricular activities to ensure effective implementation and act as platform to develop sustainable lifestyles, knowledge, and leadership skills.

I greatly appreciate your willingness to serve PTVA's Institute of Management through your membership on this committee.

August 17, 2023

Dr. Tejashree Deshmukh
In-charge Director

PTVAIM's Green Club

PTVA's Institute of Management formed the Green Club under UNICEF and DTE's Youth Engagement and Water Stewardship (YEWS) Programme on 7th August 2023. The YEWS Programme calls for creating environment consciousness among the youth through 4 prominent themes namely- waste management, water conservation, energy conservation and biodiversity conservation. The Green Club primarily focuses on coordinating with youth in the Institute to support environmental activities and projects within the Institute as well as with the communities as extension services.

Under the theme Water Conservation, we organized "बूँद-बूँद से सागर," a water conservation relay race; towards Energy Conservation, our students pursued the online energy literacy course by "Energy Swaraj Foundation"; for Bio-Diversity conservation, a unique plantation drive was conducted in the campus called "Meri Maati Mera Desh - Maati Ko Naman, Veeron Ka Vandan" to connect students with India's soil and honoring its national heroes. This activity was guided by the AICTE and DTE Mumbai. Also a study visit at Bhivgad, Gaurkamath was specifically conducted to assess the intensity of quality differentials in the soil and water samples at urban and rural landscapes. For Waste Management, we organized an E-waste collection drive for 3 months and collected 52 kg of IT scrap which were disposed off in an Environmentally friendly manner as per E-waste management and handling rules.

We also demonstrated the cycle of sustainability through composting and the compost was utilized as a manure for the campus plant and trees. With an unwavering support of our ever-responsive and participative management, PTVAIM proactively underwent Energy, Green and Environmental audits and received certificates for best practices from the auditing body.

E-waste collection and disposal

 **GREEN AUDIT REPORT**
FOR
PTVA'S INSTITUTE OF MANAGEMENT 

The rapid urbanization and economic development at local, regional and global level has led to several environmental and ecological crises. On this background it becomes essential to adopt the system of the Green Campus for the institutes which will lead for sustainable development and at the same time reduce a sizable amount of atmospheric CO2 from the environment. Keeping in line these concerns and also to practice what it preaches, PTVAIM responsibly & proactively underwent Green Audit.

 **ENERGY AUDIT REPORT**
FOR
PTVA'S INSTITUTE OF MANAGEMENT 

Excerpts from the audit report :

"The energy audit performed at PVTA's Institute of Management showcased commendable efforts towards sustainability within the college. The replacement of conventional lights with energy-efficient LED alternatives marks a significant stride in reducing energy consumption. Additionally, the integration of a fully functional solar system underscores the commitment to renewable energy sources."

 **ENERGY AUDIT REPORT**
FOR
PTVA'S INSTITUTE OF MANAGEMENT 

Excerpts from the audit report :

"This audit involved extensive consultation with all the campus team, interactions with key personnel on wide range of issues related to Environmental aspects. Overall, a large area of campus is for landscaping. The audit has identified several observations for making the campus premise more environmentally friendly."

Energy Literacy certification

Nirmalya collection for composting and application to campus foliage

Beach clean-up and water conservation awareness

Meri Maati- Mera Desh: 50 saplings plantation drive

Biodiversity visit to Bhivgad

Impact Assessment Survey to Kunkavan village

Universal Human Values (UHV) Cell

The PTVAIM's Universal Human Values (UHV) Cell formed as per the guidelines of AICTE and NEP, conducts activities to instill a sense of tolerance, and societal harmony. The activities revolve around the theme of understanding self, happiness, harmony, inclusivity, promotion of peace, and celebration of communal and socioeconomic diversities in the society. It represents a pioneering approach in integrating ethical and humanistic learning into technical and managerial education. Initiated on December 14, 2023, this initiative marks a significant milestone in educational reform, aiming to cultivate a comprehensive understanding of life and its values among students. By focusing on key principles such as individual happiness, family prosperity, societal fearlessness, and harmonious co-existence with nature, the UHV Cell seeks to foster an environment where mutual happiness and prosperity are not just ideals but practical aspects of daily living.

The methodology underpinning UHV goes beyond mere academic learning, emphasizing the importance of self-reflection, confidence-building, and a committed approach to understanding and action. It is a response to the growing realization that success in professional life is deeply interconnected with personal values, emotional intelligence, and the ability to coexist peacefully with others and the environment. Through workshops, seminars, and interactive sessions, the UHV Cell encourages students to delve into these universal values, helping them to develop a balanced perspective that integrates technical skills with a deep sense of ethical responsibility and societal contribution.

As the world grapples with complex challenges, the role of education in shaping conscientious, well-rounded individuals has never been more critical. PTVAIM's UHV Cell stands as a beacon of this transformative educational philosophy, promising to equip future generations with the tools they need not just to thrive but to lead with integrity, empathy, and a profound respect for all life forms.

The **specific objectives** are:

- To help the student to see the need for developing a holistic perspective of life.
- To sensitize the student about the scope of life – individual, family (interpersonal relationship), society and nature/existence.
- Strengthening self-reflection.
- To develop more confidence and commitment to understand, learn and act accordingly.
- The purpose is to help develop a holistic perspective about life. A self-reflective methodology of teaching is adopted. It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of society and as an unit in nature.
