

Date: 08.09.2023

PTVAIM's Green Club under UNICEF YEWS Program

2022 – 2024

Type of Activity : Biodiversity

Duration : 1 month

Date : 08/09/23

**External Invitees/
Guests** :

Objective : Creation of Compost Bins.

**Content (7 lines
paragraph describing
the event)** :

- The Nirjala Collection was successfully conducted on Sept 8, 2023 by the members of Green club.
- The drive was carried out by using the flowers and fruits post *dahi-handi* and 2 compost bins were made.
- The compost bins were therefore opened on Oct 4, 2023 and used the fertile compost as a manure for the campus plant and trees.
- The whole activity was added as a routine activity for the green club.

Number of Participants : 18

Outcome : The biodiversity activity of creating a compost bin successfully demonstrated the cycle of sustainability and the compost was utilized by using it as a manure for the campus plant and trees.
