Date: 04.10.2023

PTVAIM's Green Club under UNICEF YEWS Program

2022 – 2024

Type of Activity : Composting of Manure (Nirmalya)

Duration : 1 month

Date : 28/09/23

**External Invitees/
Guests** :

Objective : Creation of Manure as a Fertilizer.

**Content (7 lines
paragraph describing
the event)** :

- The Nirmalya Collection was successfully conducted on Sept 8, 2023 by the members of Green club.
- The compost bins were therefore opened on Oct 4, 2023 and used the fertile compost as a manure for the campus plant and trees.
- The whole activity was added as a routine activity for the green club.
- The students appreciated the hands-on experience and have added it as a routine activity for the Green club.

Number of Participants : 18

Outcome : The Manure was used as a fertilizer for the campus plants and trees.
