

## Report on Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)

### Objectives:

- To educate Higher Education Institutions (HEIs) on leveraging the YUKTI Innovation and IPR Repository (YIIR) for managing intellectual property and fostering a robust pipeline of quality innovations and startups.
- To provide practical strategies for integrating ecosystem enablers within HEIs to enhance their innovation management processes and support entrepreneurial growth.

### Benefits:

- Participants had the opportunity to learn more about the YUKTI Innovation and IPR Repository (YIIR) for managing intellectual property and fostering a robust pipeline of quality innovations and startups.
- Participants understood practical strategies for integrating ecosystem enablers within HEIs to enhance their innovation management processes and support entrepreneurial growth.

**Description:** On 2<sup>nd</sup> August 2024 PTVAIM's COEI team attended an insightful session titled "Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR), from 11:00 AM to 1:00 PM. The session was led by Mr. Dipan Sahu, Assistant Innovation Director at the Ministry of Education's Innovation Cell & AICTE, Government of India.

## Report on Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)

On 2<sup>nd</sup> August PTVAIM's COEI team attended an insightful session titled Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR). The session was led by Mr. Dipan Sahu, Assistant Innovation Director at the Ministry of Education's Innovation Cell & AICTE, Government of India.

Mr. Sahu emphasized the pivotal role that Higher Education Institutions (HEIs) play in nurturing innovation and entrepreneurship. He discussed the significance of creating a robust ecosystem that supports the development of quality innovations and startups. The session highlighted the YUKTI Innovation and IPR Repository (YIIR) as a comprehensive platform designed to manage intellectual property rights and serve as a repository of innovative ideas generated within HEIs.

Mr. Sahu provided detailed insights into how HEIs can effectively utilize YIIR to streamline the process of innovation management. He explained how the platform enables institutions to track and manage ideas from inception to execution, thereby creating a sustainable pipeline of innovations.
