Internship Certificate

TO WHOMSOEVER IT MAY CONCERN

This is to certify Ms. Kavita D. Dhanagar, a student of MBA-IEV programme at the PTVA's Institute of Management, successfully completed her internship with the PTVAIM's Centre for Entrepreneurship & Innovation (COEI) from May 1 to June 1, 2022. She worked on dry waste management during her internship, which is her business idea where she upscaled dry waste into beautiful planters. The planters that she created were used as gifting items for guests who attended PTVA Centenary Year Closing Ceremony.

These guests highly appreciated these planters and through this way her 'pilot' was successful.

We wish her the best of luck in life and in her work.
