A report on My Story - Motivational Session by successful Start-up Founder Mr. Ravi Ravaria.

On 30th November 2022, PTVAIM's COEI organized a session with a successful Entrepreneur in the Ideation room from 10:00 am to 11:30 am. There were 7 students attending the session.

The session was facilitated by Speaker Ravi Ravariya, a successful entrepreneur who became successful in the last few years. He began the session with a short Q&A session, answering the student's questions regarding himself & his business.

He talked about the past failed businesses and what he learned from them. He told them about Covid and how it affected the businesses around the country and how it particularly affected his own. He talked about the common pitfalls of business and how to avoid them. He mentioned the various difficulties any start-ups face and the difficulties he himself faced in the beginning. The session was an interactive one and all students were encouraged to join in. He answered the student's questions in detail.
