PTVAIM's IIC organised a Felicitation of Budding Entrepreneurs on World Entrepreneurs Day on 23rd August 2023 at Keshavrao Ghaisas Auditorium from 1:30 PM to 2:30 PM. There were 99 students attended the same.

The event kicked off with a warm welcome from Smt. Sukruta Pethe, President of PTVAIM's IIC. She introduced our graduate incubatees and current incubatees. Mr. Dinesh Harsolekar congratulated and felicitated the young entrepreneurs.

Smt. Sukruta Pethe, asked each entrepreneur to tell the audience about their business idea, share why they chose the path of entrepreneurship and their key learning. Take aways from the session were as follows:

Entrepreneurship is tough but rewarding. Fail early, fail fast: Many incubatees described how early failures helped them grow their business later. Patience is essential quality for an entrepreneur.

The incubatees emphasized on the need of continuous learning. Every entrepreneur must learn continuously and at any and every stage of their business. It was a fantastic opportunity for MMS students to get involved in the start-up and entrepreneurial world. The incubatees declared their intent to offer job and internship opportunities to interested members. The event concluded at 2:30 PM.
