Dear Coordinators,

Please send this mail to the students of all specializations and keep Manali madam and me in the loop.

Thanks and Regards,

Gargi Gothe

Dear Student,

This is in reference to your absence for the Mock Interviews organized by the Institute on Saturday, 29 April 2023 from 11:00am to 4:00pm in the campus.

This initiative is taken every year by the Institute to prepare the students for campus placements and give the Final Year students a hands-on experience of attending a personal interview. Students from all specializations were to compulsorily attend this placement preparatory session. A notification informing about the mock interviews was sent eight days before, giving the students ample time to plan and attend.

Having failed to attend the mock interview, you are to meet the In-charge Director and explain your reason for absence at the earliest.

As part of continued placement guidance, the Institute has organized a **student mentoring session on Friday, 12 May 2023 at 2:00pm in Room No 101** which will be conducted by eminent industry experts associated with our Institute. It is compulsory for all Final Year students to attend the same and get the benefit of the speakers' expertise. We need confirmation from you to attend the same.

We hereby inform you that if you fail to attend any of these sessions organized by the Institute to enhance the employability, the Institute will be forced to take disciplinary action which may involve taking you out of the placement process.

Regards
