

## Green Initiatives

We, at PTVA's Institute of Management believe that action speaks more than words and hence practise the same. Our Staff members and students are encouraged to use and practise eco-friendly ways of life wherever and whichever ways possible so as to reduce our carbon footprints. Hence, in small ways we are trying to change the attitude towards looking at life, by certain green Initiatives we had taken which are mentioned underneath.

### BICYCLE STAND

### GREEN PLANTATION
