

PTVA's Institute of Management
Alumni Feedback Analysis
Academic Year - 2019-2020

Sr. No	Suggest your views on the Curriculum /Assessment process
1	Add more presentations in assessment in place of examinations. More exposure to corporate world is required for students. College should take initiatives to take students to visits to give maximum exposure to the students. College can also give courses on Tableau, Power BI and Data analytics
2	Curriculum should include course on Financial domain to enhance the students Financial skills
3	More improvement on communication and technical skill.
4	Curriculum should be more practical.
5	Need more technical development sessions.
6	Keep email witing & communication class Industrial visit
7	More projects/ field trips/ industrial visits
8	Career guidance sessions to understand their stream from corporate point of view
9	Curriculum should be more live project based.
10	Course should include topic on soft skill and English writing and communication
11	Need more technical skills like Power BI, Financial modeling session.
