"World Teachers Day"

Date : 05th October, 2023

Quizipedia – A part of Series of online Quizzes to inculcate and disseminate knowledge on various international events. Online Quiz organised on the Occasion of World Teachers Day to celebrate and honor the invaluable contribution of teachers worldwide, while raising awareness about the importance of education and the teaching profession to mark World Teachers Day, we hosted an online event, uniting students, parents, and community members to show their gratitude for educators. We used a carefully designed questionnaire to engage our audience, and we're delighted that 70 participants eagerly shared their thoughts, stories, and heartfelt appreciation for the teachers who've had a positive impact on their lives. This activity successfully fostered increased appreciation for the tireless dedication and pivotal role teachers play in shaping the future. It also encouraged students and the community to express their heartfelt gratitude, while promoting the profound significance of quality education and its far-reaching impact on our society.
