National Event

“Chandrayaan – 3 ”

Date : 23rd August, 2023

On August 23, over 90 students gathered to celebrate the successful Chandrayaan 3 landing at our college. The atmosphere was electric with excitement as we witnessed this remarkable achievement, uniting in pride for India's prowess in space exploration. The event, a joyous gathering, not only marked the success of Chandrayaan 3 but also fueled a collective admiration for science and our nation's capabilities. It was a memorable day of celebration and shared pride within our spirited community. The Chandrayaan 3 celebration at our college heightened students' interest in space and fostered a deeper sense of national pride, igniting enthusiasm for future engagements in space technology.
