Subject: Expression of gratitude for conducting Entrepreneurship Development Program from 27th to 29th January 2022.

Dear Ma'am,

I, Dr. Sucheta Pawar Dean of Entrepreneurship at PTVAIM's Centre of Entrepreneurship and Innovation (COEI), am grateful to you for conducting a Entrepreneurship Development Program with the participants of COEI's flagship event Wings2Vision 2022.

All the participants learnt fundamentals of design thinking and development of basic business model canvas over the 3 days in a fun, engaging and hands on manner. Despite the workshop being so heavy on level of complexity, nascency of participants and the entire workshop being conducted on online platform, you made the learning very exciting and application based! The participant responses have been overwhelming and they have truly gained a lot in such a short span of time.

We are grateful to you for sparing your valuable time and conducting such an engaging session with the participants.

We look forward to our long and fruitful association.

Thank you.

Regards,

Dr. Sucheta Pawar,

Dean, COEI
